A New Level of Sight Words-Based Texts for Teens

What Is TERL All About?

The *Teen Emergent Reader Libraries*® have been developed to solve the issue of motivating the most struggling teen readers to pick up a book and start reading. The first three libraries are written at the emergent and beginning reader levels. SOAR, the *Teen Early Fluency Libraries*™, is the newest addition to TERL. It introduces readers to longer fiction and bridges the gap between emergent reading and early fluency.

The books offer mature, teen-centric storylines that entice teens to read. Formatted as 48- to 64-page books, these fiction and nonfiction selections look similar to other teen novels and feature photographs to reflect a contemporary, age-appropriate tone. In addition, each book is supported by a lesson plan, guided reading questions, a reproducible comprehension activity, and a quiz. The books, combined with the instructional support, provide the perfect solution for today's teacher who has to differentiate instruction to meet the needs of all learners while teaching on-grade-level concepts.

Designed Specifically For:

- Middle School and High School Students Struggling to Read
- Students with Learning Differences and Special Needs
- English Language Learners and Newcomers

EMERGE ENGAGE EXCEL

Engaging Real-Life Topics

WOW REVIEW!

"The TERL books have been a welcomed **answer to my needs** as a middle school special education teacher. I am thrilled with the TERL series and it has enabled me to be a more **culturally relevant** teacher by exciting my students' interest in reading. Instead of stories that don't connect with my students due to their low reading level, I can now explore **reallife, engaging topics that connect to my students' lives**." —Teacher, New Orleans

Worktexts

The 10 activity-based worktexts (8.25" x 10.75") in this series will provide students a thorough introduction to the "must have" multi-dimensional competencies, concepts, and vocabulary they need to achieve independence in the twenty-first century world. Unlike the companion Handbooks, each student worktext (SW) features 16 two-page lessons. The Teacher's Resource Guide (TRG) for the worktexts, available only on CD-ROM, includes 60 reproducible exercises, six per worktext, to support and extend primary instruction and includes answer keys for both the exercises and worktexts (delivered on CD-ROM).

- Two-page lessons—16 in each worktext—focused on a particular subtopic
- Word lists for both preview and review of essential vocabulary.
- Preview and Review exercises introduce and wrap up each unit
- A topic-related "Everyday Math" application in every lesson

Highly Readable, Full-Color Handbooks

RL: 4.0 | Grades: 9 to 12, ELL | Lexile: 750L to 920L

Handbooks

Combining practical content with visual appeal, the 21st Century Lifeskills handbooks read more like a magazine than a book. Highly readable with full-color photographs, a smaller trim size (6" x 9"), and an eye-popping layout, these 120-page student handbooks (SH) are great for teaching life skills to a twenty-first century population without the appearance of a textbook. The 10 handbooks in this series will provide readers a thorough and non-threatening introduction to the multi-dimensional competencies, concepts, and vocabulary they need to achieve independence. Used alone or in conjunction with the activity-based 21st Century Lifeskills worktexts, these handbooks offer students a unique and visual way to achieve real-world literacy.

WOW REVIEW!

"This aptly named series is a **goldmine of useful, practical information** that older teens and young adults need to live productive and organized lives."

Differentiated Classics

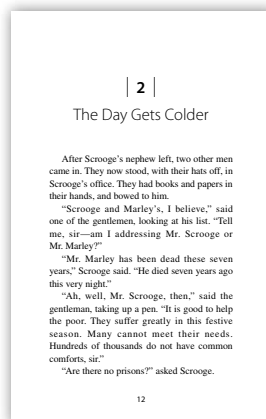

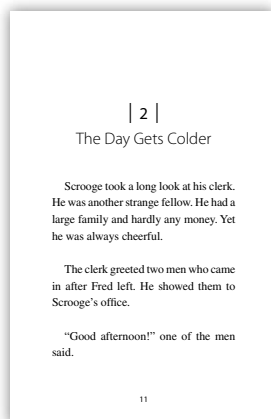

Adapted Classics at Two Low Levels

RL: 1.0 to 5.2 | Grades: 3 to 12, YA | Lexile: 140L to 250L

We've taken our Timeless Classics and Shakespeare and made them even more accessible. Words and phrases that may have stumped emergent readers have been eliminated. We recognize that students in the same classroom may not have equivalent reading skills, which is why the two levels appear virtually identical—

on the outside. Inside it's a whole different look, with a larger font and extra white space, making these stories visually appealing with the aim to improve reading comprehension, fluency, and confidence. Classic fiction is 80 pages and classic Shakespeare is 110 pages.
