EMERGE [1] Engineering

Feel It Fly

by PJ Gray

The class was silent.
The clock was loud.

Tick.
Tick.
Tick.

QUARTZ

Ms. Law stood up.
"This is it. The big **test.**
You have one hour.
Begin."

Pam sat at her desk.
It was in the back.
She could see the whole room.

Tick. Tick. Tick.

Pam looked at her test.
She was done.
No one else was.

Tick. Tick. Tick.

Pam looked over her work.
She felt good.
The test was not so bad.

THE SHARK

by Linda Oatman High

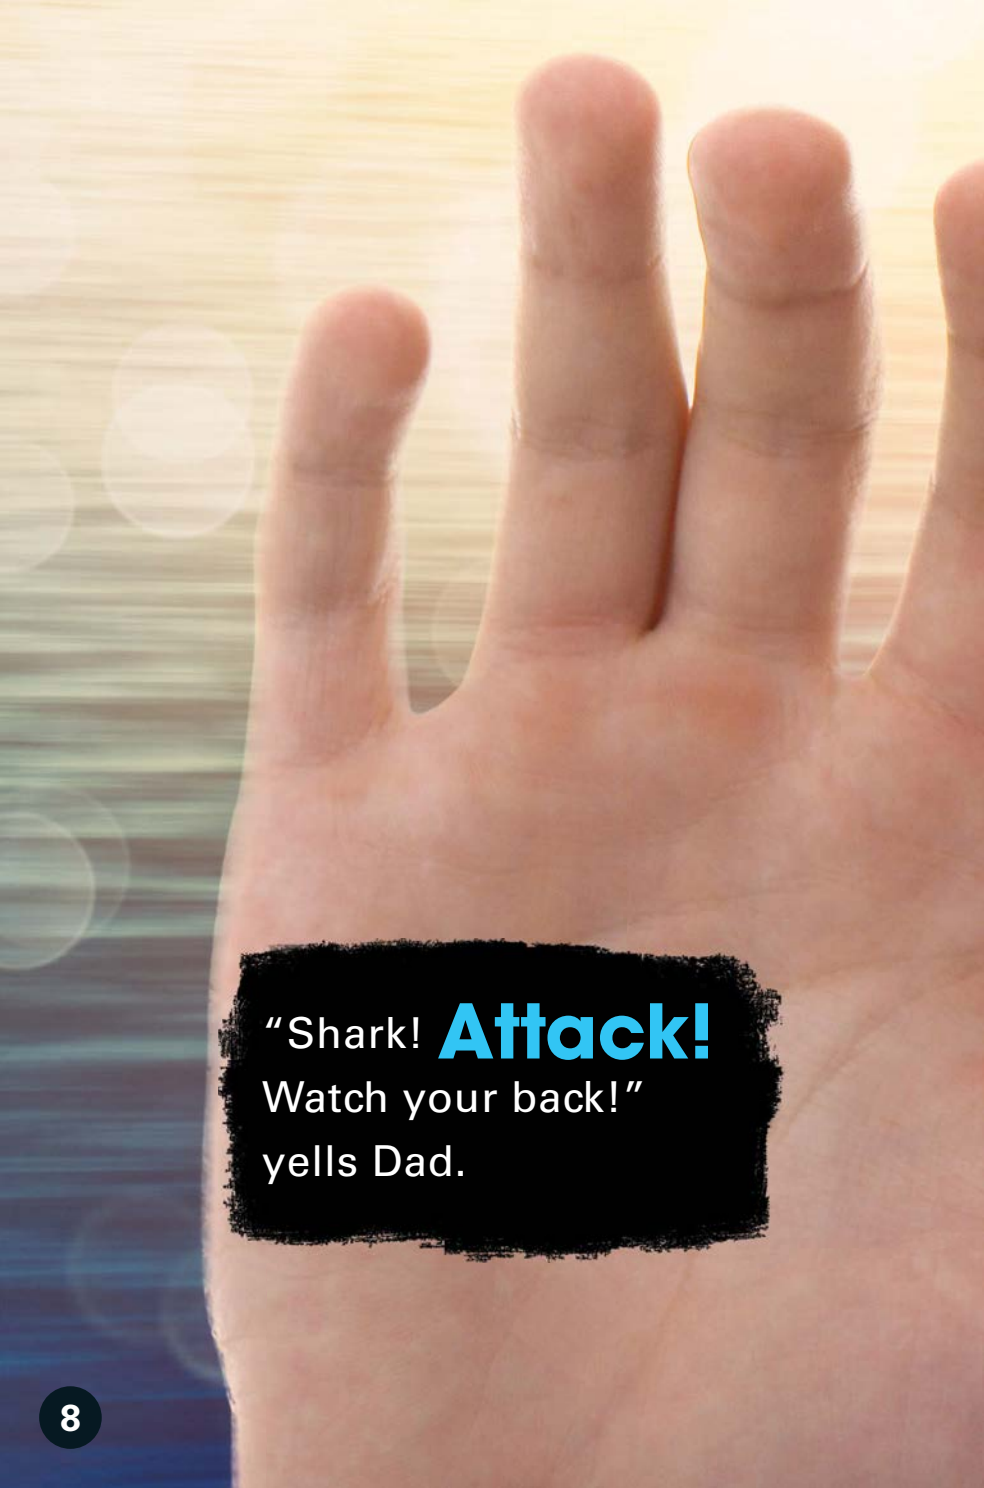

It is
dark.
Almost.
Then we see
it.
A shark!

Fast.
Sharp ÿn.
It cuts the water.

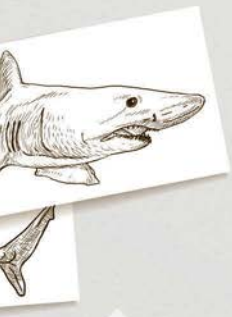

"Yikes!" I shout.
Jump out.
Run to land.
Warm sand.

"Shark! Attack!
Watch your back!"
yells Dad.

I like sharks.
My senior paper?
Sharks.
I read.
Learn.
Nerd?
Yes. I guess.
