

EMERGE [1] Verse

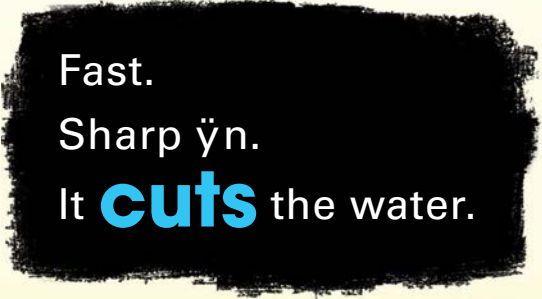

THE SHARK

by Linda Oatman High

A sunset over the ocean with a shark fin visible in the distance. The sun is low on the horizon, casting a golden glow over the water and sky. A small, dark shark fin is visible in the distance, cutting through the water. The foreground shows the sandy beach and the gentle waves of the ocean.

It is
dark.
Almost.
Then we see
it.
A **shark!**

Fast.

Sharp ÿn.

It **cuts** the water.

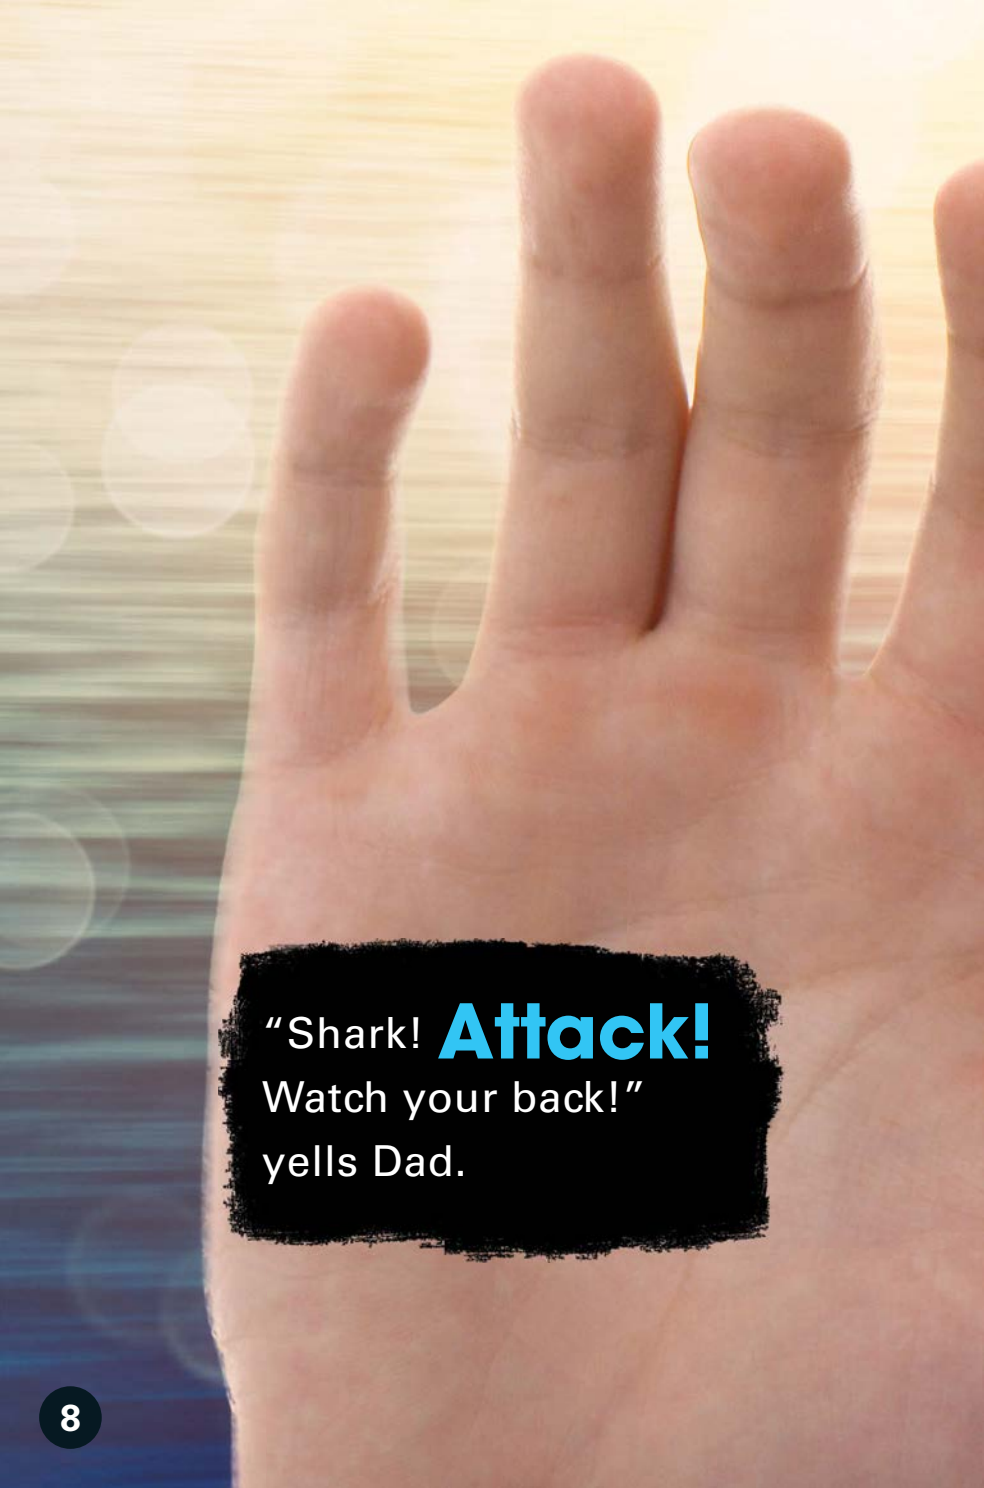

"Yikes!" I shout.

Jump out.

Run to land.

Warm sand.

“Shark! **Attack!**
Watch your back!”
yells Dad.
