About Tween Emergent Reader Libraries®

Like the award-winning *Teen Emergent Reader Libraries*®, known as TERL (see pages 44–57), the new *Tween Emergent Reader Libraries*® will motivate struggling readers to pick up a book, start reading, and keep reading. Alicia and her mother had left Honduras two weeks ago. They went to Phoenix to live with Uncle Juan and Grandma.

Uncle Juan told Alicia that she would go to high school. She was surprised. At home, most girls went to school. But they stopped school when they were her age.

Alicia cleaned up the juice. Then she walked to school. The secretary took her picture. She said it was for Alicia's **student ID card**.

Literacy Across the Content Areas, Including Mathematics, Science, and Social Studies

About ELL Teen Literacy Library

The *ELL Teen Literacy Library*™ is a unique collection of fiction and nonfiction books aimed at middle school, high school, and adult English language learners, including newcomers. Each engaging fiction and nonfiction book features age-respectful storylines and full-color photographs on every page to support beginning readers at the secondary level.

Organized into five content-focused genres, this collection includes 20 unique titles. Each genre includes three fiction books and one nonfiction book. Special emphasis is placed on vocabulary, with five key vocabulary words highlighted in each book.

Key Product Features:

- ▶ Accessible text with low readability and photographs on every page to support comprehension
- ▶ Progress monitoring in the form of summative assessments for every book and a program checklist
- ▶ Mature, engaging content focused subjects that are of high interest to English language learners

Libraries for Developing Readers, The Next Step in Fluency

TEEN EARLY
FLUENCY LIBRARIES®

[TEFL]

Builds Confidence and
Helps Students Become
Independent Readers

About Teen Early Fluency Libraries®

The *Teen Early Fluency Libraries*® build on the reading base of the *Teen Emergent Reader Libraries*® (see pages 54–61). These books introduce readers to longer fiction and bridge the gap between emergent reading and early fluency. By the time older developing readers approach a second-grade reading level, they have a handle on the most basic literacy skills. They are ready to increase their fluency so that text flows and makes more sense. Fluency is closely tied to comprehension.

In these boxed sets, book lengths have been increased so there is more practice for readers who are gaining confidence and building their vocabulary. Instead of photos on every page, the photos appear every few pages in the fiction and every other spread in the nonfiction. Each boxed set increases by half a reading level so that students can continue to make progress step by step.

Key Product Features:

- ▶ Progress monitoring in the form of summative assessments for every book
- ▶ Three levels so developing readers build fluency and increase confidence
- ▶ Mature, engaging content
- ▶ Extensive teaching support for every book
- ▶ Builds critical reading components: comprehension, vocabulary, and fluency
- ▶ Fiction and nonfiction genre sets for literature study

Designed Specifically For:

- ▶ Upper Middle School and High School Students Struggling to Read
