Topic-Based Book Pairs with Different Outcomes to Build Social Skills

RL: 1.6 to 2.4 | Grades: 4 to 8 | LEXILE: HL230L TO HL300L

Boxed Set Includes:

24 Topic-Based Books (1 each of 24 titles)

- ▶ 12 Fiction Pairs (each pair features one book showing a tween navigating the skill successfully and one book featuring a tween who struggles with the skill)

About GO! SEL Social Emotional Stories™

Build students' social and emotional learning skills with these engaging 48-page fiction books. Each pair focuses on an important SEL topic from a relatable tween perspective. One book in each pair showcases a middle school student successfully applying the skill. The other book features a main character who struggles with the skill and has to deal with the fallout. When read together, the pairs provide students with a basis for discussion about the topic and how it can affect their day-to-day life.

Like the *SEL Teen Literacy Library*™ (see pages 38–41), six topics focus on self-awareness and managing one's own moods and attitudes, and six topics focus on social awareness and managing relationships with others. These books are original stories featuring tweens and are most appropriate for upper elementary and middle school classrooms.

Each pair features five emotion vocabulary terms for a total of 60 words. Vocabulary words are highlighted on the page where they first appear in the text and are listed with their definitions in the glossary at the back of each book. These words are also featured in the Emoti-Cards (sold separately).

Build Students' Mastery of Emotions with Emoti-Cards (Sold Separately)

Each of the 60 full-color Emoti-Cards features an illustration with callouts to facial cues and gestures that indicate someone may be feeling the emotion. Featuring the same emotions, moods, and attitudes defined in the books, the Emoti-Cards provide a road map to the nonverbal clues people often exhibit that reveal their inner feelings.

TWEEN EMERGENT
READER LIBRARIES®

About Tween Emergent Reader Libraries®

Like the award-winning *Teen Emergent Reader Libraries*®, known as TERL (see pages 62–69), the new *Tween Emergent Reader Libraries*® will motivate struggling readers to pick up a book, start reading, and keep reading. Planned as a three-box set, with books written at emergent and beginning reader levels, this unique new collection contains the books you have been searching for: high-interest fiction and nonfiction selections in sets that include both literary genres and content-specific themes.

Because these books are designed for ages 10 to 14, the storylines presented are not as mature as the TERL collections but still remain contemporary, relevant, and enticing. The first boxed set, *GO! Emerge*, includes 48-page books written at true emergent levels, with full-color photographs on every page to support comprehension and engage struggling readers. Each leveled box gradually increases in level and word count, allowing students to progress in reading step by step.

White Lightning Books®

Tween Fiction Chapter Books

RL: 1.5 to 2.5 | Grades: 6 to 8 | LEXILE: HL160L TO HL250L

White Lightning Books® addresses a wide variety of themes and interests in a narrow range of reading levels, no higher than a 2.5. Students who struggle to read will often not recover from low reading achievement in elementary school if their particular interests are not addressed. Encouragement and finding the theme to “hook” them is key. These are not YA or elementary books—a fact tweens will appreciate.

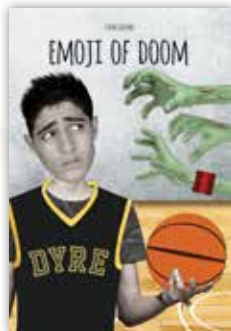

Each book is approximately 100 pages with covers that will appeal to tween readers. The titles in the White Lightning series are designed in a similar style. Students will know what to expect when they pick up a book: a fast-paced story, mature and age-appropriate topics, 20 short chapters, and achievable reading success.

Summit Middle School

RENAISSANCE
Accelerated Reader®

Tween Fiction for Girls

RL: 3.5 | Grades: 5 to 8 | **LEXILE: HL450L TO HL480L**

Themes: Friendship, cliques, self-esteem, growing up

Middle school is the perfect storm of BFFs, frenemies, and mean girls. If you haven't been frozen out, dumped, or betrayed, then you are lucky. Handling drama is never fun, especially when you're alone. But some bonds of friendship are forever. The Summit Middle School series tackles the challenging years before high school.

The newly forged friendship between Carson Roberts, Emma Swanson, and Mai Pham seems unbreakable. The girls have found a kindred spirit in each other. Together, they turn the tables on the most beautiful bully in Texsun City, Jessa McCain. There are no power struggles between these three besties.

Book 1: The Most Beautiful Bully

Handling drama by yourself is never fun. New seventh grade student Carson Roberts learns the hard way not to cross the school bully, beautiful Jessa McCain. And it's only her first day! She's also made two friends in quiet Emma Swanson and shy Mai Pham. But if there's one thing Carson learns, it's that baggage follows you.

Book 2: Silentious

Mai Pham cannot wait to return to Summit after the holiday break. She remembers how she used to dread it. School was a lonely place. But now Mai has two besties: Carson and Emma. Ever since Carson showed up, life has been different. Mai's new school ties don't please her dad. Friendships are a distraction. Can Mai prove him wrong?

Book 3: The Alternative

Popular Summit Middle School student Brent Bonham and his father never agree. Brent's dad runs an at-risk youth program, never thinking his own son would need help. But one day Brent does something illegal and is sent to the alternative campus, where beautiful bully Jessa McCain is also in attendance.

Book 4: All About My Selfie

Emma Swanson hasn't won any popularity contests at Summit Middle School. Not that she hasn't tried. The rejection hurts. But her friendships with Mai and Carson give her confidence. She's happy to help Mai with her budding music career, until she posts a popular selfie. Then it becomes all about Emma.

TEEN LITERACY LIBRARY™

Nonfiction and Fiction
with a Focus on
Emotion Vocabulary

About SEL Teen Literacy Library™

With the increase in digital forms of communication and the increased pressures of today's world, schools are facing new challenges in supporting students and helping them learn social and emotional skills. The *SEL Teen Literacy Library™* is a unique solution that uses nonfiction and fiction to help teens think about and discuss topics critical to successful social interactions and emotional health. Organized around 12 key SEL topics that cover both self-awareness and social awareness, this collection of Hi-Lo Books™ is the perfect addition to any middle or high school classroom or library.

Because recognizing and dealing with emotions is such an important aspect of social and emotional learning, emphasis is placed on 60 emotion words (5 for each topic). Each emotion is represented on a traditional vocabulary card with a photo on one side and the word and definition on the other as well as on an Emoti-Card featuring an illustration of the emotion with facial cues and gestures to help students better identify that emotion when interacting with others. Together with extensive instructional support in the form of lessons, activities, role-plays, and assessments, the books and cards in this collection provide the perfect solution to incorporating SEL instruction into content area classes.

Key Product Features:

- ▶ Accessible text with low readability and photographs on every page for comprehension support
- ▶ Focus on emotion vocabulary with two sets of cards to build comprehension and recognition of emotions
- ▶ Extensive instructional support for every topic and book pair
- ▶ Mature, engaging fiction and nonfiction books supported by real-world content and photographs on every page

Content-Focused Genres for Teen English Language Learners

ELL Teen Literacy Library

About ELL Teen Literacy Library

The *ELL Teen Literacy Library* is a unique collection of fiction and nonfiction books aimed at middle school, high school, and adult English language learners, including newcomers. Many of these learners struggle with reading and a limited English vocabulary. This makes it difficult to do well in content-area classes where textbooks are often written above grade level. For this reason, the *ELL Teen Literacy Library* focuses on social studies, math, and science topics in books written at accessible levels. Each engaging fiction and nonfiction book features age-respectful storylines and full-color photographs on every page to support beginning readers at the secondary level.

Organized into five content-focused genres, this collection includes 20 unique titles. Each genre includes three fiction books and one nonfiction book. Special emphasis is placed on vocabulary, with five key vocabulary words highlighted in each book.

Libraries for Developing Readers, The Next Step in Fluency

TEEN EARLY
FLUENCY LIBRARIES®

[TEFL]

Builds Confidence and
Helps Students Become
Independent Readers

About Teen Early Fluency Libraries®

The *Teen Early Fluency Libraries*® build on the reading base of the *Teen Emergent Reader Libraries*® (see pages 62–69). These books introduce readers to longer fiction and bridge the gap between emergent reading and early fluency. By the time older developing readers approach a second-grade reading level, they have a handle on the most basic literacy skills. They are ready to increase their fluency so that text flows and makes more sense. Fluency is closely tied to comprehension.

In these boxed sets, book lengths have been increased so there is more practice for readers who are gaining confidence and building their vocabulary. Instead of photos on every page, the photos appear every few pages in the fiction and every other spread in the nonfiction. Each boxed set increases by half a reading level so that students can continue to make progress step by step.

Key Product Features:

- ▶ Progress monitoring in the form of summative assessments for every book
- ▶ Three levels so developing readers build fluency and increase confidence
- ▶ Mature, engaging content
- ▶ Extensive teaching support for every book
- ▶ Builds critical reading components: comprehension, vocabulary, and fluency
- ▶ Fiction and nonfiction genre sets for literature study

Designed Specifically For:

- ▶ Upper Middle School and High School Students Struggling to Read
- ▶ Students with Learning Differences and Special Needs
- ▶ Secondary English Language Learners and Newcomers

Teacher's Guide

Genre: Folktales/Legends

DESCRIPTION: Folktales are a collection of tales, ballads, and legends passed from person to person, often in spoken form. As we know from our picture books, folktales contain many of the same elements and structures: magic, magical creatures, and moral lessons. Because they are so simple, folktales often include elements and structural features such as talking animals, fairies, and spells. To an experienced reader, these tales often include repeating phrases such as "I changed my mind" or "I was angry and I changed my mind" or "I was angry and I changed my mind". Legends are stories that are partly true or based on historic facts. The events in the stories, however, are often exaggerated. The set of books includes folktales from Africa and Europe, as well as a nonfiction account of an Irish legend.

Overview of Books

INTRODUCING THIS GENRE: Write a list on the board. Underline folk and explain that it means "people". Underline tale and ask students what the word means (story). Tell students that a folktale is a story passed down from person to person. When introducing them, read out loud long sentences. Encourage students to repeat them. Encourage students to use the words "folk" and "tale" in their own sentences, using the words "folk" and "tale" in their own sentences. Nonfiction Hi-Lo Handbooks

RL: 3.5 | Grades: 6 to 12, Teen and YA | **LEXILE: HL320L TO HL350L**

Five unique handbooks comprise this American Government series. With the confusing political discourse in today's world, it's no wonder kids tune out. How can we tune them back in? The stale descriptions in standard American government textbooks do nothing to motivate learning. The readability is too high and the language too dry. How can we make it personal? Accessible? Interesting? Even humorous?

We've taken our *Timeless Classics* and *Timeless Shakespeare* and made them even more accessible. Ten of our most popular titles now offered at a first grade reading level. Words and phrases that may have stumped emergent readers have been eliminated. We recognize that students in the same classroom may not have equivalent reading skills, which is why the two levels appear virtually

identical—on the outside. Inside it's a whole different look, with a larger font and extra white space, making these stories visually appealing with the aim to improve reading comprehension, fluency, and confidence. *Not all titles shown.* For a complete listing of titles, please visit our website at sdlback.com.
