Emergent Sight Words-Based Libraries Designed for Tweens

TWEEN EMERGENT
READER LIBRARIES®

About Tween Emergent Reader Libraries®

Like the award-winning *Teen Emergent Reader Libraries*®, known as TERL (see pages 74–81), the new *Tween Emergent Reader Libraries*® will motivate struggling readers to pick up a book, start reading, and keep reading. Planned as a three-box set, with books written at emergent and beginning reader levels, this unique new collection contains the books you have been searching for: high-interest fiction and nonfiction selections in sets that include both literary genres and content-specific themes.

Because these books are designed for ages 10 to 14, the storylines presented are not as mature as the TERL collections but still remain contemporary, relevant, and enticing. The first boxed set, *GO! Emerge*, includes 48-page books written at true emergent levels, with full-color photographs on every page to support comprehension and engage struggling readers. Tween Newcomers

About GO! Welcome Newcomers Fundamentals™

Developed for tweens who are new to the U.S. and are in the early stages of learning English, this set of emergent-level fiction books is an excellent introduction to American culture as well as school and community systems. Based on the same 14 themes from the *GO! Welcome Newcomers*® library but written at significantly lower reading levels, these fiction stories are a great addition to an upper elementary or middle school newcomer classroom to support emergent readers. Each fiction book introduces the reader to a new topic. Readers will relate to the main characters who are tween newcomers themselves, facing realistic challenges as they navigate daily life in a new country. For classrooms that already have *GO! Welcome Newcomers*®, this is a great starter pack.

SOCIAL EMOTIONAL STORIES™

RL: 1.6 to 2.4 | Grades: 4 to 8 | LEXILE: HL230L TO HL300L

About GO! SEL Social Emotional Stories™

Build students' social and emotional learning skills with these engaging 48-page fiction books. Each pair focuses on an important SEL topic from a relatable tween perspective. One book in each pair showcases a middle school student successfully applying the skill. The other book features a main character who struggles with the skill and has to deal with the fallout. When read together, the pairs provide students with a basis for discussion about the topic and how it can affect their day-to-day life.

Like the *SEL Teen Literacy Library™* (see pages 62–65), six topics focus on self-awareness and managing one's own moods and attitudes, and six topics focus on social awareness and managing relationships with others. These books are original stories featuring tweens and are most appropriate for upper elementary and middle school classrooms.

Each pair features five emotion vocabulary terms for a total of 60 words. Vocabulary words are highlighted on the page where they first appear in the text and are listed with their definitions in the glossary at the back of each book. These words are also featured in the Emoti-Cards (sold separately).

White Lightning Books®

Tween Fiction Chapter Books

RL: 1.5 to 2.5 | Grades: 6 to 8 | LEXILE: HL160L TO HL250L

White Lightning Books® addresses a wide variety of themes and interests in a narrow range of reading levels, no higher than a 2.5. Students who struggle to read will often not recover from low reading achievement in elementary school if their particular interests are not addressed. Encouragement and finding the theme to “hook” them is key. These are not YA or elementary books—a fact tweens will appreciate.

Each book is approximately 100 pages with covers that will appeal to tween readers. The titles in the White Lightning series are designed in a similar style. Students will know what to expect when they pick up a book: a fast-paced story, mature and age-appropriate topics, 15 short chapters, and achievable reading success.

Summit Middle School

RENAISSANCE
Accelerated Reader®

Tween Fiction for Girls

RL: 3.5 | Grades: 5 to 8 | LEXILE: HL450L TO HL480L

Themes: Friendship, cliques, self-esteem, growing up

Middle school is the perfect storm of BFFs, frenemies, and mean girls. If you haven't been frozen out, dumped, or betrayed, then you are lucky. Handling drama is never fun, especially when you're alone. But some bonds of friendship are forever. The Summit Middle School series tackles the challenging years before high school.

The newly forged friendship between Carson Roberts, Emma Swanson, and Mai Pham seems unbreakable. The girls have found a kindred spirit in each other. Together, they turn the tables on the most beautiful bully in Texus City, Jessa McCain. There are no power struggles between these three besties.

Book 1: The Most Beautiful Bully

Handling drama by yourself is never fun. New seventh grade student Carson Roberts learns the hard way not to cross the school bully, beautiful Jessa McCain. And it's only her first day! She's also made two friends in quiet Emma Swanson and shy Mai Pham. But if there's one thing Carson learns, it's that baggage follows you.

Book 2: Silentious

Mai Pham cannot wait to return to Summit after the holiday break. She remembers how she used to dread it. School was a lonely place. But now Mai has two besties: Carson and Emma. Ever since Carson showed up, life has been different. Mai's new school ties don't please her dad. Friendships are a distraction. Can Mai prove him wrong?

Book 3: The Alternative

Popular Summit Middle School student Brent Bonham and his father never agree. Brent's dad runs an at-risk youth program, never thinking his own son would need help. But one day Brent does something illegal and is sent to the alternative campus, where beautiful bully Jessa McCain is also in attendance.

Book 4: All About My Selfie

Emma Swanson hasn't won any popularity contests at Summit Middle School. Not that she hasn't tried. The rejection hurts. But her friendships with Mai and Carson give her confidence. She's happy to help Mai with her budding music career, until she posts a popular selfie. Then it becomes all about Emma.

Organized around 12 key SEL topics that cover both self-awareness and social awareness, this collection of Hi-Lo Books™ is the perfect addition to any middle or high school classroom or library.

Because recognizing and dealing with emotions is such an important aspect of social and emotional learning, emphasis is placed on 60 emotion words (5 for each topic). Each emotion is represented on a traditional vocabulary card with a photo on one side and the word and definition on the other as well as on an Emoti-Card featuring an illustration of the emotion with facial cues and gestures to help students better identify that emotion when interacting with others. Together with extensive instructional support in the form of lessons, activities, role-plays, and assessments, the books and cards in this collection provide the perfect solution to incorporating SEL instruction into content area classes.

Key Product Features:

Libraries for Developing Readers, The Next Step in Fluency

TEEN EARLY
FLUENCY LIBRARIES®

[TEFL]

Builds Confidence and
Helps Students Become
Independent Readers

About Teen Early Fluency Libraries®

The *Teen Early Fluency Libraries*® build on the reading base of the *Teen Emergent Reader Libraries*® (see pages 74–81). These books introduce readers to longer fiction and bridge the gap between emergent reading and early fluency. By the time older developing readers approach a second-grade reading level, they have a handle on the most basic literacy skills. They are ready to increase their fluency so that text flows and makes more sense. Fluency is closely tied to comprehension.

In these boxed sets, book lengths have been increased so there is more practice for readers who are gaining confidence and building their vocabulary. Instead of photos on every page, the photos appear every few pages in the fiction and every other spread in the nonfiction. Each boxed set increases by half a reading level so that students can continue to make progress step by step.

Key Product Features:

- ▶ Progress monitoring in the form of summative assessments for every book
- ▶ Three levels so developing readers build fluency and increase confidence
- ▶ Books progress through levels with fewer images per book culminating in fiction books with no images
- ▶ Extensive teaching support for every book
- ▶ Builds critical reading components: comprehension, vocabulary, and fluency
- ▶ Fiction and nonfiction genre sets for literature study

Designed Specifically For:

- ▶ Upper Middle School and High School Students Struggling to Read

American Government

Nonfiction Hi-Lo Handbooks

RL: 3.5 | Grades: 6 to 12, Teen and YA | **LEXILE: HL320L TO HL350L**

Five unique handbooks comprise this American Government series. With the confusing political discourse in today's world, it's no wonder kids tune out. How can we tune them back in? The stale descriptions in standard American government textbooks do nothing to motivate learning. The readability is too high and the language too dry. How can we make it personal? Accessible? Interesting? Even humorous?

Fast Stat

The 26th Amendment lowered the voting age to 18. Today, some states allow 17-year-olds to vote in primary elections. However, they must be 18 by the general election.

RENAISSANCE
Accelerated Reader™

Low-level Adapted Classics

RL: 1.0 to 5.2 | Grades: 4 to 12, Teen and YA | LEXILE: HL140L TO HL710L

We've taken our *Timeless Classics* and *Timeless Shakespeare* and made them even more accessible. Ten of our most popular titles now offered at a first grade reading level. Words and phrases that may have stumped emergent readers have been eliminated. We recognize that students in the same classroom may not have equivalent reading skills, which is why the two levels appear virtually

identical—on the outside. Inside it's a whole different look, with a larger font and extra white space, making these stories visually appealing with the aim to improve reading comprehension, fluency, and confidence. *Not all titles shown.* For a complete listing of titles, please visit our website at sdlback.com.
