Included with every purchase is a 30-minute training session for each teacher/admin. This time will be spent to assist in setting up student licenses and a basic walk-through of the platform. If additional time is needed, Saddleback will work with your team to make sure you feel supported and trained.

Licensing terms are for one (1) year from the date of purchase.

The prices on quotes are valid for 30 days from today's date. Please contact customer service for a revised quote should you extend past the 30-day mark as prices are subject to change.

All orders must be submitted as authorized and signed Purchase Orders unless they are pre-paid.

Billing Terms are net 60 days from the invoice date. If payment is not received within the 60-day terms on digital sales, we reserve the right to terminate access to the platform.

Once the Purchase Order or pre-payment is received, you will receive administrative login to the platform. Your district/school admin will be responsible for assigning teacher and student licenses. If in the single classroom model, you will receive a teacher login, and the teacher will be responsible for assigning student licenses.

All libraries available on this platform are also available in print. Some may contain print-only ancillary materials (i.e., vocabulary cards). If you would like to add these items to your quote, please contact customer service.

Please note that Saddleback Digital Licenses are considered non-returnable/final sale and cannot be changed or altered once purchased.
