It's Saturday night.  
I'm outside the club.  
If he wants a fight, I'm ready.

**ONE MOMENT CAN CHANGE YOUR LIFE FOREVER**

# Ben's Story

I'm getting changed after basketball.  
I look in my bag.

I shout, "My phone's gone!"

Jason says, “When did you last use it, Ben?”

I say, “I sent a text in the dressing room. Then I put it in my bag.”

Isaac says,  
“Someone’s stolen it.”

Later, we go to the youth club.  
I'm so angry about my phone.

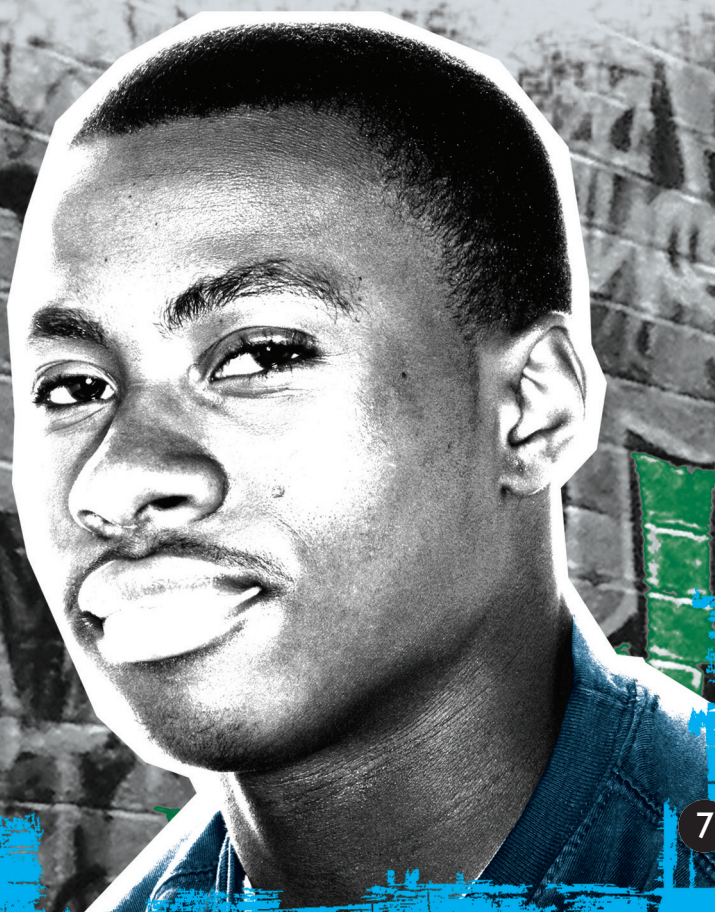

I feel sick and angry inside.

Isaac says, “I saw Danny Ramirez in the dressing room. He was there with his friends.”

Danny and his friends are huddled around the sofas. They are all looking at something and laughing.

# DAhny's Story

I'm at the youth club with my friends.

My friend Tyrone says, "Look at  
my new iPod, Danny."

He tosses it over, and I nearly  
drop it. Everybody laughs.

Then I see Ben Wilson and his friends.  
They're watching me.  
What's their problem?
